

Monroe Street Movement Space Summer Arts & Movement Camp

June 19-August 25, 2017
Ages 3-12 years

**Explore, experience, and create
in a flexible and playful atmosphere.**

A half-day/ whole day program focusing on and combining creative movement, dance, yoga, theater, music, writing, storytelling, drawing, painting, and sculpture.

The Summer Arts & Movement Camp is for children ages 3-12 years. The focus of the program is to provide students with a well-rounded experience and exposure to the arts while nurturing individual confidence and expression.

Artists/teachers with professional education and experience teach age appropriate classes in their particular arts discipline in groups of 15 or less. All of our teachers have experience teaching children 3-12 years.

On staff each day is an art teacher and two dance/movement teachers. The art teacher presents a variety of art mediums and forms in the daily classes. The dance/movement teachers teach a combination of creative movement, dance, yoga, theater games, eurhythmic and movement stories.

Included in our activities are singing and song writing, storytelling, writing stories, poems and plays, illustrating stories and poems, presenting plays and dance pieces as well as weaving and jewelry making.

Instrumental in our work are our teen assistants. Each teacher is provided with assistants according to the age and size of the group. This insures all students receive individual assistance and attention during classes and in transition to other activities.

Throughout the day, as teachers, we encourage creativity, exploration, and individuality as well as group cooperation.
